Bon's buffet & sports bar

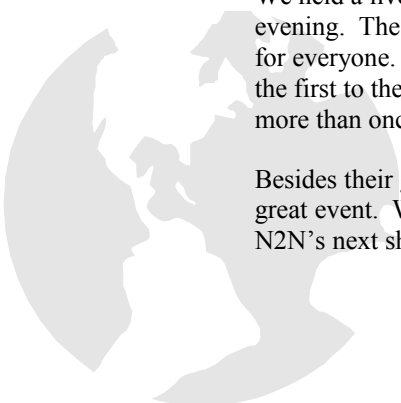

August 10, 2003

Dear Sir or Madam:

I am the Manager of Bon's Sports Bar and am writing this recommendation for "Next to Nothing", one of the best bands I've seen or heard for a long time.

We held a live music event on July 5, featuring 3 local bands. N2N was our second act of the evening. The band did a superior job building their set, playing a wide variety of music, something for everyone. Every member of this band is extremely talented; they had the dance floor packed from the first to the last song. Really getting the crowd excited. I have had the pleasure of seeing them more than once, and each show is unbelievable!

Besides their great showmanship, they are very professional and organized, helping me plan this great event. We are presently expanding our bar, to accommodate the many guests coming to watch N2N's next show!

Sincerely,

Jessica Fritz
